

**SECTION IX  
LIST OF PREPARERS**

<u>NAME</u>	<u>RESPONSIBILITY</u>	<u>QUALIFICATIONS</u>
<b>EARTH TECH</b>		
James F. Oeth, P.E.	Project Manager, EIS Preparation, Public Involvement	B.S., Civil Engineering, 35 years experience in planning, design, and project management
Michael P. Preboske, P.E.	Project Engineer, EIS Preparation	B.S., Civil and Environmental Engineering, 12 years experience in planning, design, and project management
Jeffrey Smith, P.E.	Project Engineer, FEIS Corridor Alternatives and Analysis	B.S. Civil Engineering, 7 years experience in planning and design of transportation projects
Randall L. Fuchs, P.E.	Air and Noise Analysis	B.S., Civil and Environmental Engineering, 19 years experience in planning, design, environmental studies
Jeffrey D. Knudson, E.I.T.	Mapping and Data Collection	B.S., Civil and Environmental Engineering, 5 year experience in transportation engineering
William S. Mohr, P.E.	Design Manager, Corridor Alternatives and Analysis	B.S., Civil and Environmental Engineering, 16 years experience in planning and design of transportation projects.
Craig A. Chumbley	EIS preparation	B.A., Biology; M.S., Ph.D., Botany, 10 years experience in highway planning and environmental studies
Jon Gumtow	Wetland Analysis and Mitigation, Endangered Species	B.S., Resource Management, 19 years experience in environmental assessments and wetland analysis
Steven R. Grumann	Water Resources, Endangered Species	B.S., Water Resources, 15 years experience in water analysis and wetland evaluation
Raymond Gardner	Conceptual Stage Relocation Plan	31 years experience in real estate

Annette Du Charme	Conceptual Stage Relocation Plan	6 years experience in real estate
Mary Buettner	Hazardous Materials	B.S., Anthropology, 13 years experience in hazardous materials studies

**SMITHGROUP JJR INCORPORATED**

John Stockham	Project Planning Advisor, EIS land use and socio-economic analysis	M.S., Land Use Planning, 29 years experience in land use planning
Kate Sullivan	Project Planner, EIS land use and socio-economic analysis	B.S., Natural Resources, 18 years experience in land use planning and environmental impact assessment
Linda Horvath	Project Planner, EIS land use and socio-economic analysis	M.S., Urban & Regional Planning 11 years experience transportation and land use policy and planning
Eric Bardenhagen	Project Planner, EIS mapping and visual and land use analysis	MLA, Landscape Architecture, 5 year experience planning and landscape architecture

**GREAT LAKES ARCHAEOLOGICAL RESEARCH CENTER (GLARC)**

David Overstreet	Archaeological Investigations	B.S., M.S., Ph.D., Anthropology, 30 years experience in cultural resource management
Jennifer Harvey	Archaeological Investigations, DOEs, and Data Recovery Plan	B.A., Anthropology and History, M.A., Anthropology, 13 years experience in cultural resource management
Robert Watson	Archaeological Investigations, DOEs, and Data Recovery Plan	B.A., Anthropology and History, M.A., Anthropology, 11 years experience in cultural resource management.

**KJOHNSON ENGINEERS**

Kimberly A. Johnson, P.E.	Public Involvement	B.S., Civil Engineering, 22 years experience in experience in planning, design, project management and public involvement.
---------------------------	--------------------	--

## OTHERS

Katherine H. Rankin	Historic Architecture Investigations	B.A., Art History, 29 years experience in cultural resource management
Elizabeth Miller	Historic Architecture Investigations and DOE preparation	B.A., Urban Studies, M.A., Historic Preservation, M.A. U.R.P., Urban and Regional Planning, 19 years experience in cultural resource management

## WISCONSIN DEPARTMENT OF TRANSPORTATION (WisDOT)

Marshall Quade, AICP	Planning Supervisor, Final EIS review for environmental and design aspects, public involvement	B.A. Political Science, Certificate in Management, Master of Urban Planning (MUP), experience since 1995 as transportation analyst and planner, experience since 1991 as an urban/regional planner and analyst
Jeffrey Gust, P.E.	Final EIS review for environmental and design aspects, public involvement	B.S. Civil and Environmental Engineering, experience since 1989 with overseeing major/complex type projects through EIS process
Barbara Feeney, AICP	Final EIS review for environmental and planning aspects, public involvement	B.S., Urban Studies, M.S., Public Policy and Planning, 15 years experience in public policy, planning and project management
Anne Monks	DEIS review for environmental and design aspects, public involvement, community impacts	M.S., Real Estate and Investment Analysis, M.A. American Urban History, 24 years experience with land use and transportation planning, community planning and public policy
Norman DeVries	DEIS review for environmental and design aspects	B.S., Civil Engineering, 30 years experience in highway planning and design

James C. Merriman	DEIS review for environmental and design aspects	B.S., Landscape Architecture, Environmental Analysis and Review Specialist, 28 years experience in highway design, construction and environmental analysis
Rosanne Meer	EIS review for cultural resources	B.A., M.S., Anthropology, 27 years experience cultural resource management; 4 years experience as Transportation Environmental Coordinator
Robert S. Newbery	EIS review for effects and impacts on cultural resources	M.A., U.S. History, Ph. D. candidate in U.S. History, 22 years as WisDOT Staff Historian
Shirley C. Stathas	EIS review for effects and impacts on archaeological resources and for NEPA and WEPA compliance	B.S., Speech Therapy and English, 17 years as WisDOT Archaeology Coordinator for highway projects
Susan Fox	EIS review for land use, socioeconomic issues, environmental justice, and indirect impacts, and NEPA and WEPA compliance	B.A., English, M.A., Library Science, M.S. Urban and Regional Planning, 15 years experience in environmental coordination and review

#### **FEDERAL HIGHWAY ADMINISTRATION (FHWA)**

Jaclyn D. Lawton, P.E.	EIS review for environmental aspects	B.S., Civil Engineering, experience since 1975 in highway project development and environmental assessment, including FHWA Environmental Programs Coordinator
Johnny Gerbitz	Final EIS review for environmental and design aspects	B.S., Civil Engineering, experience since 1960 in highway design, construction, and environmental assessment
Richard C. Madrzak, P.E.	EIS review for environmental and design aspects	B.S., Civil Engineering, experience since 1969 in highway project development and environmental review

Roger E. Szudera	EIS review for social and economic aspects, including relocation assistance and Agricultural Impact Statement	B.S., Agricultural Economics, experience since 1969 in right-of-way acquisition and environmental document preparation and review
Thomas R. Strock	EIS review for structural, hydraulic, and geotechnical aspects	B.S., Civil Engineering, experience since 1976 in highway structures design
